DIGESTIVE

It. /ˌdɪdʒɪː ʒ ɛ s'tɪvəʊ/

1. The word *digestif* (plural, *digestifs*) is French for “digestive” and derived from the Latin *digestivus*. A *digestif* is both what you drink and when you drink it. Traditionally, a *digestif* is considered any alcoholic beverage that you would enjoy after a large dinner, and a variety of beverages fall into this category. They are often characterized by a high alcohol content with a deep, sometimes rich, flavor profile. For liqueurs, *digestifs* often encompass stomach-settling herbs and spices and have a bitter-sweet taste.
